

HISTORY & SOCIAL SCIENCE (BA)

Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from anywhere within the Virginia Community College System (VCCS) should consult with a transfer advisor at the VCCS campus to ensure timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—transfer advisors can provide more information on what courses are suggested for each award.

Students who complete the Associate of Arts or Associate of Science degree will complete all of the VWU general education program except for the junior/senior seminar (WES 300).
