

PSYCHOLOGY

Students planning to transfer to Virginia Wesleyan University from another institution within the Virginia Community College System (VCCS) should consult with a transfer advisor at the VCCS campus from which they are enrolling to ensure timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—they would put students ahead by having additional courses completed toward the major.

Students who complete the Associate of Arts or Associate of Science degree with satisfactory grades at the VCCS general education program except for the junior/senior seminar (WES 300).
